Description

2007 Branson Coaster 49 - £199,995 Watch the youtube video here... <https://www.youtube.com/watch?v=lir0G9t3D4w&t=19s> Purchased by her current owners in 2011, 'Fochintulla' has been lovingly cared for externally, and internally she has been brought right up to date with a very attractive galley and homely main living area. Domestic fittings throughout and upgraded 12v and 24v systems make this a perfect live-aboard to take to the city of your choosing and live for a fraction of the price of a conventional house. Alternatively, with the fantastic sea-keeping that the Coaster 49 offers, 'Fochintulla' would also be at home exploring the coastline and canals of Europe. Currently on the hard standing at Fairlie Quay, 'Fochintulla's undersides have been stripped of all the anti-foul and painted in primer, ready for anti-fouling to be applied before next season. Measurements Length: 49.05 ft Beam: 12' 12" Min Draft: 4' 1" Max Draft: 4' 1" Length Overall: 49' 1" Displacement: 21600 kilogram Engines Number of Engines: 1 Fuel Type: Diesel Engine Hours: 610 Propeller Type: 4 Blade Total Power: 135 hp Max Speed: 8 knots Cruising Speed: 6 knots Dimensions Length Overall: 14.95m (49' 1") Beam: 3.96m (13' 0") Draft: 1.25m (4' 1") Displacement: 21.6 tons (Approx) Forward Cabin Length: 7.8m (25' 7") Wheel House Length: 3.17m (10' 5") Aft Cabin Length: 2.6m (8' 6") Steel Thickness Keel: 12mm Hull: 6mm Decks: 5mm Cabin: 4mm Roof: 5mm Engine and Machinery Sabre/Perkins M135 Diesel Engine Hours: 610hrs Power: 135hp Drive: Shaft Prop: 4 blade (new in 2013 and refurbished in 2015) Engine room fully insulated Bow Thruster Water Tanks: 500L (split between 6 plastic tanks) Fuel Tank: Approx. 600L (split between 2 saddle tanks) Electronics 12v Engine and Navigation Circuit 24v Domestic Circuit 12v Battery Charger 24v Battery Charger New 12v Batteries 2018 (315Ah total capacity) New 24v Batteries 2018 (180Ah total capacity) 2 x 12v Bow Thruster Batteries 2018 Navigation Raymarine E90w hybridtouch Chartplotter Furuno Navpilot Raymarine Tridata (Speed, Depth and Log) Furuno Model 1623 Marine Radar Furuno LS-4100 Echo Sounder and Fishfinder NASA Marine Target Navtex Pro-Plus SeaTraceR AIS Class B Transponder Cobra Marine DSC VHF Simrad RT64 VHF Handheld VHF 2 x EPIRBs Accommodations 'Fochintulla' is a comfortable live-aboard, fitted out internally to a very high standard and able to accommodate 4 people with ease. The forward cabin is a twin, with hanging lockers to port and shelves to starboard, with additional storage under the berths. The day heads is situated aft of the forward cabin, and to starboard, fitted with a full-height standing shower, toilet, sink and heated towel rail. The main living area spans the full width of the boat, with an "L" shaped Galley to port, dining area to starboard, and large settee forwards. The galley has been recently updated to the highest standard and wouldn't be out of place in any high-class flat. The worktop is finished in textured-gloss Corian pattern, while the units finished in off-white make the whole area feel contemporary and up to date. Utilities in the galley include a gas oven, 4 burner gas hob, fridge-freezer, dishwasher, washing machine and wine cooler. Laminated flooring, varnished walls, plenty of natural light and homely touches make the living area a very pleasant place to spend time. On top of the engine rooms sits the Wheelhouse which is finished to the same high standard as the rest of the boat. With 360 degree panoramic views, a large chart table, sturdy helm seats and up to date electronics, this Wheelhouse is an easy place to navigate from. There is heating and hot water throughout the boat provided from a boiler with is supplied by the diesel tanks. Accessed from Wheelhouse, the Master Cabin is at the aft end of the boat. With a large double berth, build-in cupboards and storage and plenty of port holes to allow light in, this is a very pleasurable cabin to walk up in. There is also an en-suite heads, with full-size shower and fitted out to the same high standard as the rest of the impeccable interior. Deck Equipment Hydraulic Crane Davits Tender and 3.5hp Mercury Outboard Twin Masts and Booms with Sails
