Description

This Prestige 460 is a really special boat. Prestige is renowned for their clever use of space, abundance of light and quality finish which is demonstrated on this boat.

She is powered by twin Volvo Penta IPS 600 which not only provides easy manoeuvring but also fuel efficiency with the IPS drives proving to be up to 25% more efficient than the same boat on traditional shaft drives.

When stepping onboard you are greeted with a large cockpit space with plenty of seating for the family. She has an aft galley layout, with a large raised saloon and dining area, 3 spacious cabins, 2 of which are set up as twin singles at the moment but the infill cushions are supplied to convert these cabins into doubles. The front stateroom is spacious and set up as a double but can be separated to twin singles.

This Prestige 460 also features a full suite of extras including a generator, High/Low bathing platform and Raymarine electronics.

The Raymarine equipment features x2 Raymarine Axiom 12 multi-function displays at lower helm, another Raymarine Axiom 12 multi-function display at flybridge station, Raymarine Quantum 2 radar, Raymarine autopilot, Raymarine RAY91 dual station VHF with AIS receiver.

B&W speakers to saloon and cockpit

Fusion stereo

Foredeck sunpad mattress with adjustable sun lounges

Set of flybridge covers
